Summary of Position: The Extreme Recruiter is responsible for spearheading and expediting the adoption recruitment activities of the child welfare team. Extreme Recruitment® works exclusively with the hardest-to-place children: ages 10-18, sibling groups, children of color, and youth with emotional, developmental, or behavioral concerns. The position requires the recruiter to carry out all aspects of multi-faceted, child-specific adoption recruitment. Each case requires the Extreme Recruiter to facilitate 12-20 weeks of team meetings with the goals of ensuring a system of supportive adults for at least 85% of youth, and identifying a permanent resource committed to adoption or guardianship for at least 70% of participating youth. Prior to the active recruitment phase of 12-20 weeks of weekly meetings, the Extreme Recruiter will complete pre-work on the case. Pre-work may include beginning the recruiter’s familiarization to the case history, building a relationship with youth(s) and placement provider, making recommendations regarding services that may be beneficial during active recruitment, as well as other activities. Once a permanency option is identified, the Extreme Recruiter holds monthly team meetings until an adoption or guardianship is finalized. If an identified permanency resource disrupts, the Extreme Recruiter may remain involved on the case doing monthly meetings to secure and support a second match.
